Nomination for the Louisiana Engineering Society

ANDREW M. LOCKETT MEDAL FOR CIVIC ACTIVITIES

The Andrew M. Lockett Medal will be awarded as conditions warrant, but not more often than annually, for Distinguished Service by a Professional Engineer, in the interest of the Public, without compensation for those services. The character and scope of the services rendered are the predominant criteria, rather than strictly engineering or scientific attainments. LES membership is not required for this award but is preferred. The desire of the Society is not only to recognize the recipient but to encourage and inspire other engineers to take a greater part in the civic well-being of their communities, parishes, and the State of Louisiana.
