Nomination for the Louisiana Engineering Society

CHARLES M. KERR PUBLIC RELATIONS AWARD

The Public Relations Award, the Charles M. Kerr Plaque, will be awarded as conditions warrant, but not more often than annually, for Distinguished Service by a Professional Engineer in Promotion of the Public Relations Program for the Engineering Profession in Louisiana. The character and scope of the contributions to LES's overall public relations program internally and/or externally are the predominant criteria, rather than strictly engineering accomplishments. LES membership is not required for this award but is preferred. Officers of the Society and members of the LES Public Relations Committee are not eligible for the award. The desire of LES is not only to recognize the recipient but to encourage and inspire other engineers to take a greater part in the Society's public relations program in their communities, parishes, and the State of Louisiana.
